WONDERWALL

This week's Wonderwall question was:

Would you rather be a polar bear in the Sahara desert or a lizard in the Arctic?

Xavier, 3KY: I would be neither because it would be horrid either way.

Benjy, 3NH: A lizard in the Arctic so I could float on ice.

Harpreet, 4FW: I would be a lizard in the Arctic because snow is so much fun!

Isla D, 5KI: I would be a polar bear in the Sahara because I won't freeze.

From Year 6

Lavinia: I would be a lizard because I don't like being hot.

Amaima: I would be a polar bear in the Sahara since there would probably be lots of camels to eat!

Jayden: Neither, I would rather be a human!

And finally, Miles: I don't really mind... personally, I would just build a boat and sail to where I belong.

KEY PARENT DATES FOR SPRING TERM 1

Look out for these key dates this term:

About Me

"Both of my parents were teachers and I saw the huge job satisfaction they got from working with young people.
I really enjoy teaching at Avon House. Children's most formative years, in regards to Sport, are while they are at primary school. This is where the biggest impact can be made."

"Being the tallest member of staff, I enjoy taking Avon House to new heights and helping every child become the best version of themselves."

TUB2PUB PLASTICS

Please pass empty confectionery, biscuit and cracker tubs to your child's Sustainability Council class representative by Friday 14th February. All money raised from the sale of Tub2Pub plastics will be given directly to Macmillan Cancer Support.

MILER OF THE WEEK

This week's Miler of the Week is Sebastian 5KI for working extremely hard this week and being a good role model.
